TAYLORS BULBS OF SPALDING

The prestigious Lincolnshire family firm Taylors Bulbs, in partnership with the MPGA, are once again offering totally free of charge a number of high quality bulbs to be distributed across the 33 London Boroughs. This year it's in the form of a 'Lucky Dip', which consists of around 400 bulbs of four or five different varieties.

Since the inception of the scheme, the MPGA and Taylors have distributed spring bulbs to almost a thousand organisations throughout the Capital, which have had a tremendous impact. Recipients include schools, public gardens, hospices, churchyards, community gardens etc.
