Green Space Quality Manual Fourth Edition

Licence Application Form

The "Licence" grants permission to the organisation, the "Licensee", and its "Internal Users" (as defined in the Digital content licensing – terms of use, the "Terms") to use the Green Space Quality Manual, the "Material".

It covers the use of the latest edition or version of the Material at the time of application and includes any enhancements and minor updates to the stated edition. The Licence covers the duration of the stated edition or version, with a minimum term of 12 months.

The table below sets out the Licence fee, the "Price", payable for organisations not supporting Parks for London at time of application.

Organisation	**Licence fee**
Parks for London supporters	No fee
Not-for-profits (NFPs) and charities with a turnover of less than £2 million	£350
All other organisations (including NFPs and charities with a turnover of £2 million or more)	£695

Discuss members and Midlands Parks Forum members receive a 10% discount on their eligible rate.
