Green Space Quality Manual Fourth Edition

Digital content licencing – Terms of use

Updated November 2025

DEFINITIONS

Unless the context requires otherwise, the following definitions shall apply:

"**Terms**" means the terms of use set out in this document.

"**Material**" means the publication material identified during the order process.

"**Licensor**" means London Parks and Green Spaces Forum, trading as **Parks for London,** whose registered office is located at Capel Manor College, Bulls moor Lane, Enfield, Middlesex, EN1 4RQ.

"**Licensee**" means the licensee identified during the order process who is granted the rights to use the Material in accordance with the Terms.

"**Derivative Work Product**" means work product generated or developed following the date of this Licence which is based on the Material or an underlying work in relation to this (including translations, abridgements, condensations, or any other form in which a work may be recast, transformed, or adapted).

"**Internal Users**" means employees, workers, agents and/or subcontractors of the Licensee and members of friends of parks groups, pertaining to the Licensee.

"**Intellectual Property Rights**" is defined under clause 3.1

"**Price**" means the price quoted during the order process which is to be paid by the Licensee for the Material and rights under the Licence.

"Infringement" means the unauthorised manufacture, sale, or distribution of the Material.

Please read the Terms carefully and make sure that you understand them before submitting a licence application. By purchasing a licence to use the Material, the Licensee confirms that it accepts these Terms and that it agrees to comply with them.

1. GRANT OF LICENCE

1.1. The Licensor grants to the Licensee a non-exclusive and non-transferable right to use, and allow the Internal Users to use, the Material in electronic format (the "**Licence**") subject to these Terms.

1.2. The Licence granted to the Licensee is strictly limited to use for, and the Licensee shall use the Material solely for use in connection with, the Licensee's business.

1.3. The Licence is for the stated edition of the Material, it is not for any previous or future versions, or editions, but will cover enhancements and minor updates made to the stated version.

1.4. The Licensee may not print, nor adapt nor abridge the Material without the prior written permission of the Licensor. Where permission is granted by the Licensor, it shall be subject to any further conditions imposed by the Licensor.

1.5. The Licensor grants permission to the Licensee and its Internal Users to use the Material. The Licensor shall not make any charge to any third party or derive any commercial benefit from such use.

1.6. Subject to clause 1.5 above, the Licensee shall not grant sub-licences, in whole or in part, of any of the rights granted under the Licence or sub-contract any aspects of exploitation of the rights licensed to it, without the Licensor's prior written consent.

1.7. The Licensor reserves the right to monitor usage of the Material under the Licence in order to verify that such usage is not in breach of these Terms.

1.8. The Licensor grants permission to the Licensee to use insubstantial portions of the Material on an infrequent basis for replication in internal documents of Licensee on an attributed basis, that is to say an express reference to source of the information being the Licensor must be included.

2. PAYMENT

2.1. In consideration of this Licence the Licensee shall pay to the Licensor the Price as quoted during the order process using the payment methods accepted by the Licensor. The Material shall not be made available until payment (if applicable) is made in full and cleared to the Licensor or payment in full is guaranteed by way of a purchase order issued to the Licensor (without deduction, set-off or withholding).

2.2. There are no refunds payable in respect of the Price or any other charges payable for the Licence.

3. INTELLECTUAL PROPERTY RIGHTS

3.1. For the purpose of these Terms, "**Intellectual Property Rights**" shall mean patents, rights to inventions, copyright and related rights, moral rights, trade marks, business names and domain names, rights in get-up, goodwill and the right to sue for passing off, rights in designs, database rights, rights

to use and protect the confidentiality of, confidential information (including know-how and trade secrets), and all other intellectual property rights, in each case whether registered or unregistered and including all applications and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world.

3.2. The Licensor retains ownership of all Intellectual Property Rights in the Material and in any Derivative Work Product which it may create.

3.3. The Licensee assigns to the Licensor, and shall assign, all other Intellectual Property Rights in any development of the Material or any Derivative Work it may create, by way of future assignment of copyright and database right. The Licensee shall execute this assignment or confirmatory assignment as the Licensor may require.

3.4. The Intellectual Property Rights assigned to the Licensor under clause 3.3 shall form part of the Material, and of the licence granted, from the date of that assignment.

3.5. The Licensee shall ensure that a copyright notice and any other mark specified by the Licensor appear on all permitted copies of the Material.

4. LICENSEE OBLIGATIONS

4.1. The Licensee may not change, amend, or develop the Material in any way without the Licensor's prior written consent.

4.2. The Licensee shall comply with all applicable laws in performing its obligations and exercising its rights under these Terms.

4.3. The Licensee shall ensure that the Material is kept secure and shall use the best available practices and systems to prevent and take prompt and proper remedial action against, unauthorised access, copying, modification, storage, reproduction, display, or distribution of the Material. In particular, the Licensee shall ensure that the Material is not distributed, transmitted, or accessed outside of its organisation.

4.4. The Licensee shall ensure that the measures adopted under paragraph 4.3 are sufficient to ensure that Internal Users are not able to copy, transfer or communicate the Material to the public or any third party outside of the Licensee’s organisation, or in any way exploit the Material other than as allowed by these Terms.

4.5. If the Licensee becomes aware of any misuse of any Material, or any security breach, in connection with the Licence, that could compromise the security or integrity of the Material or otherwise adversely affect the Licensor, the Licensee shall, at the Licensee's expense, promptly notify the Licensor and fully co-operate with the Licensor to remedy the issue as soon as reasonably practicable. The Licensor may suspend the Licensee's rights under the Licence until the misuse or security breach is remedied.

5. INFRINGEMENT

5.1. Each party shall promptly notify the other of any actual or suspected Infringement of the Material that comes to its attention.

5.2. The Licensee shall co-operate fully with the Licensor by taking all steps required by the Licensor (in its sole discretion) in connection with any Infringement, including, without limitation, legal proceedings in the name of the Licensor or in the joint names of the Licensor and Licensee. The Licensor shall be responsible for the cost of any legal proceedings it requires, and is entitled to any damages, account of profits and/or awards of costs recovered. The Licensee shall use its best endeavours to assist the Licensor in any legal proceedings relating to any Infringement.

6. WARRANTIES

6.1. Each party warrants to the other that it has full power and authority to enter into and perform its obligations under these Terms.

6.2. The Licensor warrants to the Licensee that, so far as it is aware, the Material does not infringe any third party's intellectual property rights.

6.3. The Licensee warrants that its use of the Material and its development and/or use of any Derivative Work Product:

6.3.1. will not infringe any third party's Intellectual Property Rights;

6.3.2. is not defamatory, libellous, obscene, or otherwise unlawful; and

6.3.3. does not violate any applicable law, statute, or subordinate legislation.

6.4. The Licensor may require the Licensee to cease all use of any of the Material if it reasonably believes that the Licensee's use of the Material infringes the Intellectual Property Rights of any third party or breaches any applicable law or regulation. In this instance, the Licensor may, at its option either:

6.4.1. provide the Licensee with alternative Material so as to avoid Infringement; or

6.4.2. terminate the Licence immediately on written notice in respect of the affected Material.

6.5. Save where expressly provided under these Terms, all conditions, warranties, or other terms which might have effect between the parties or be implied or incorporated into this Licence or any collateral contract, whether by statute, common law or otherwise, are hereby excluded to the maximum extent permitted by law.

7. LIABILITY AND INDEMNITY

7.1. The Licensee shall indemnify the Licensor against all claims, liabilities, and expenses (including the payment of reasonable legal costs) arising out of any Infringement of any rights of the Licensor or of any third party by the manufacture, sale, possession, or use of the Material by the Licensee.

7.2. Nothing in this licence shall operate to exclude or limit the Licensor's liability for:

7.2.1. death or personal injury caused by its negligence;

7.2.2. any breach of the terms implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982;

7.2.3. fraud; or

7.2.4. any other liability which cannot be excluded or limited under applicable law.

7.3. Subject to paragraph 7.2, the Licensor shall have no liability for any losses or damages which may be suffered by the Licensee (or any person claiming under or through the Licensee), whether the same are suffered directly or indirectly or are immediate or consequential, and whether the same arise in contract, tort (including negligence) or otherwise howsoever, which fall within any of the following categories:

7.3.1. loss of use;

7.3.2. loss of profits;

7.3.3. loss of anticipated savings;

7.3.4. loss of business opportunity;

7.3.5. loss of contracts;

7.3.6. loss of goodwill; or

7.3.7. loss arising from damaged, corrupted or lost data;

provided that this paragraph 7.3 shall not prevent claims for direct financial loss that are not excluded by any of categories 7.3.1 to 7.3.7 inclusive.

7.4. Subject to paragraph 7.2, the Licensor's liability, whether in contract, tort (including negligence), or otherwise and whether in connection with this licence or any collateral contract, shall not exceed the Price actually paid by the Licensee at the date of such liability arising.

8. TERMINATION

8.1. Without affecting any other right or remedy available to it, the Licensor may terminate the Licence with immediate effect forthwith by giving notice in writing to the Licensee if:

8.1.1. the Licensee is in material or persistent breach of its obligations under these Terms and where the breach is capable of being remedied, fails to remedy the breach within 7 days of receiving written notice from the Licensor to do so;

8.1.2. the Licensee fails to pay any amount which is due to the Licensor in full and on the date that the payment falls due;

8.1.3. the Licensee is dissolved, ceases to conduct all (or substantially all) of its business, is or becomes unable to pay its debts as they fall due; or becomes insolvent or is declared insolvent, or convenes a meeting or makes or proposes to make any arrangement or composition with its creditors;

8.1.4. an application is made to court, or an order is made, for the appointment of an administrator, or if a notice of intention to appoint an administrator is given or an administrator, administrative receiver, liquidator, receiver, trustee, manager or similar is appointed over any of the assets of the Licensee;

8.1.5. a petition is filed, a notice is given, or an order is made, for or in connection with the winding up of the Licensee (being a company), or where the Licensee passes a resolution for its winding up (other than for the purpose of a solvent company reorganisation or amalgamation where the resulting entity will assume all the obligations of the other party under these Terms);

8.1.6. the Licensee (being an individual) is the subject of a bankruptcy petition or order; or

8.1.7. (where the Licensee is an individual) the Licensee dies, or as a result of illness or incapacity becomes incapable of managing his or her own affairs or is the subject of a bankruptcy petition or order.

8.2. On any expiration or termination of this agreement all rights and authorisations granted by the Licensor to the Licensee under this agreement shall automatically terminate and immediately revert to the Licensor.

9. LICENSOR'S RIGHT TO VARY THESE TERMS

9.1. No variation of these Terms shall be effective as between the Licensor and the Licensee unless it is in writing and signed by the Licensor and Licensee (or their authorised representatives).

9.2. Notwithstanding clause 9.1, the Licensor may amend the Terms from time to time. Every time a Licence is purchased, the Terms in force at the time of the order will apply.

10. GENERAL

10.1. The Licence is between the Licensor and the Licensee. No other person shall have any rights to enforce any of its terms, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

10.2. The Licensee shall not assign, transfer, mortgage, charge, subcontract, sub-license (subject to clause 2.3), declare a trust over or deal in any manner with these Terms or any of its rights and obligations under these Terms without the prior written consent of the Licensor.

10.3. The Licensor may subcontract or delegate in any manner any or all of its obligations under this agreement to any third party.

10.4. Without prejudice to any other rights or remedies that the Licensor may have, the Licensee acknowledges and agrees that damages alone would not be an adequate remedy for any breach of the terms of these Terms by the Licensee. Accordingly, the Licensor shall be entitled to the remedies of injunction, specific performance, or other equitable relief for any threatened or actual breach of the terms of these Terms.

10.5. Each of the paragraphs of these Terms operates separately. If any court or relevant authority decides that any of them are unlawful or unenforceable, those paragraphs shall be deemed modified to the minimum extent necessary to make it valid, legal, and enforceable. If such modification is not possible, the relevant paragraph shall be deemed deleted. Any modification to or deletion of a paragraph under this paragraph 10.2 shall not affect the validity and enforceability of the rest of the Terms.

10.6. No failure or delay by a party to exercise any right or remedy provided under this agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

10.7. These Terms constitute the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations, and understandings between them, whether written or oral, relating to its subject matter.

10.8. Each party agrees that it shall have no remedies in respect of any statement, representation, assurance, or warranty (whether made innocently or negligently) that is not set out in these Terms. Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in these Terms.

10.9. Nothing in this agreement is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, constitute any party the agent of another party, or authorise any party to make or enter into any commitments for or on behalf of any other party.

10.10. These Terms and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

10.11. The Licensor and Licensee both irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms or its subject matter or formation (including non-contractual disputes or claims).
